Target Audience: This activity is being planned for UC Irvine's Neurosciences faculty, residents and community physicians.

Statement of Purpose: To keep neurologists and other healthcare professionals updated on the latest clinical information in neurology.

Accreditation Statement: The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Neurology Grand Rounds Global Objectives:

At the conclusion of this activity, the participant should be able to:

1. Discuss current issues relevant to the practice of neurology.
2. Identify new treatment techniques relevant to neurology.
3. Discuss updated practice guidelines.
4. Enhance awareness of neurological disorders, diagnosis, and treatment.

Credit Designation Statement: The University of California, Irvine School of Medicine designates this live activity for a maximum of **1 AMA PRA Category I**

Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure:

Lecturers disclose that they have no financial relationships to disclose. They further disclose that they will not discuss any unlabelled/unapproved drugs or devices.

Course Director/Planners: Steven L. Small, Ph.D., M.D.; Daniela Bota, M.D., Ph.D.; Jack Lin, M.D.; Lisa Flanagan, PhD, Madelaine Afaible and Tillie Davis have disclosed that, as course directors and planners, they have no affiliations, arrangements, financial agreements which would be perceived as a potential conflict of interest.

ADA Statement: In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Madelaine Afaible at 714-456-7214 or afablem@uci.edu before the meeting date.

This activity is in compliance with **California Assembly Bill 1195**, which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding AB 1195 and definitions of cultural and linguistic competency, please visit the CME web site at www.cme.uci.edu.
