and CHOC Commerce Tower, 12th floor, Conference Room 1200

Target Audience: This activity is being planned for UC Irvine’s Neurosciences faculty, residents and community physicians.

Statement of Purpose: To keep neurologists and other healthcare professionals updated on the latest clinical information in neurology.

Accreditation Statement: The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Neurology Grand Rounds Global Objectives: At the conclusion of this activity, the participant should be able to: (1) Discuss current issues relevant to the practice of neurology. (2) Identify new treatment techniques relevant to neurology. (3) Discuss updated practice guidelines. (4) Enhance awareness of neurological disorders, diagnosis, and treatment.

Credit Designation Statement: The University of California, Irvine School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure: Lecturer: Dr. Shlee Song discloses that she will be discussing Alteplase use beyond currently approved time-windows. She also received a grant from NIH-NINDS-SPOTRIAS. She will support her presentation and clinical recommendations with the “best available evidence” from the medical literature. She will refrain from making recommendations regarding products or services, e.g., limit presentation to pathophysiology, diagnosis, and/or research findings.

Course Director/Planners: Steven L. Small, PhD, MD; Mark Mapstone, PhD; Indranil Sen-Gupta, MD; Michael Sy, MD, PhD; Mary-Elizabeth Garcia and Marie Cormier have disclosed that, as course directors and planners, they have no affiliations, arrangements, financial agreements which would be perceived as a potential conflict of interest.

ADA Statement: In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Marie Cormier at 714-456-7214 or mcormier@uci.edu before the meeting date.
