Accommodations

Newport Beach Marriott Hotel and Spa

Call 877-622-3056 for reservations or visit https://resweb.passkey.com/go/ucineurosciencessymposium

The conference rate is $189 for a king standard room, upon availability. Discounted rate is valid through Aug. 22, 2015.

About this Conference

Target Audience: Physicians and nurses working in Primary care, Internal Medicine, Neurology, Oncology and Critical Care, and all allied healthcare providers who want to broaden and update their knowledge of neurological and neurosurgical conditions.

Learning Objectives:

• Identify current screening, diagnosis, medical management and cutting edge surgical strategies for patients presenting with the following selected diseases and/or disorders in order to improve quality of care and outcomes:
  - Epilepsy
  - MSA/PARKINSONIAN SYNDROMES
  - PARKINSON’S DISEASE AND MOVEMENT DISORDERS
  - MULTIPLE SCLEROSIS
  - SUDEP AND SUDDEN CARDIAC DEATH
  - AUTONOMIC DYSFUNCTION
  - CHRONIC HEART FAILURE
  - VASCULAR DISEASES
  - STROKE AND CEREBROVASCULAR DISEASES
  - HYPERTENSION
  - CANCER AND NEUROLOGICAL DISEASES
  - RARE DISORDERS
  - NEUROMUSCULAR DISORDERS
  - MULTIPLE SCLEROSIS
  - ALZHEIMER’S DISEASE
  - POST-TRAUMATIC STRESS DISORDERS
  - POST-TRAUMATIC STRESS DISORDERS

• Identify the inclusion and exclusion criteria for prescribing current medications for neurological diseases.

• Recognize risk factors associated with stroke, including nonmodifiable risks, and use precaution strategies for patient care.

• Recognize and relate management of acute life-threatening neurological conditions and determine the need for appropriate imaging and specialist consultation.

• List the various symptoms associated with the possibility of a brain tumor.

Accreditation Statement

The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

The University of California, Irvine School of Medicine designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

California Assembly Bill 1195

This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and definitions of cultural and linguistic competency, please visit the CME website at www.cme.uci.edu.

ADA Statement

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your needs. For any special requests, please contact Laurie Gumser at lgumser@uci.edu or 714-456-3707 by Aug. 30, 2015.

Disclosure Statement

It is the policy of the University of California, Irvine School of Medicine and the University of California CME Consortium to ensure balance, independence, objectivity and scientific rigor in all CME activities. Full disclosure of conflicts and conflict resolutions will be made prior to the activity in writing via handout materials, insert or syllabus.

Neurosciences Updates for Primary Care

Sept. 12, 2015

Course Description:

The 2015 Neurosciences Symposium has been developed to provide primary care physicians cutting edge medical and surgical information in the treatment of Epilepsy, Parkinson’s Disease, Movement Disorders, Multiple Sclerosis, Neuromuscular Diseases, Brain Tumors, Memory Disorders and Stroke.

This one-day symposium will offer participants the knowledge and skills to help diagnose and treat patients with neurological disorders and conditions seen in general practice. A focus on differential clinical examination, effective diagnostic testing and appropriate referrals to specialty practices will be presented by UC Irvine faculty from the departments of neurology and neurosurgery.

### Session IV | Movement Disorders

- **Topic**: Neurovascular Diseases
- **Time**: 2:05 p.m.
- **Speaker**: Ramon Almeida and Peripheral Neuropathy

### Session V | Stroke

- **Topic**: Neuro ICU-Critical Care Overview
- **Time**: 2:35 p.m.
- **Speaker**: Giraldo. MD

### Session VI | Multiple Sclerosis

- **Topic**: Evaluation of Brain Pain – Surgical Solutions
- **Time**: 2:45 p.m.
- **Speaker**: Steven L. Small, PhD, MD

- **Topic**: Movement Disorder Panel Discussion Q & A
- **Time**: 3:05 p.m.
- **Speaker**: Mona Morenrooks, MD, Namita Goyal, MD

### Session VII | Memory Disorders

- **Topic**: Diagnosis of Memory Disorders
- **Time**: 4:05 p.m.
- **Speaker**: Timothy O'Brien, PhD

### Registration Information

- **Registration Fees**: Visit [www.neurology.uci.edu/neurosciences-cme](http://www.neurology.uci.edu/neurosciences-cme) to register and pay online. With a credit card. Online registration will close on Sept. 10, 2015.
- **Cancellation Policy**: Refund of registration fees may be requested by sending a request to bd-ucirvinehealth@uci.edu. Cancellations received before Aug. 30, 2015 will receive a full refund. Cancellations made after this date will be subject to a 75% cancellation fee.
